Kirkby Routs Travers
At Top of 'Met' Handicaps

List for 1920 Shows Present
Champion Must Give Two
Strokes to Former Title
Holder.

By William Abbott.

METROPOLITAN handicaps for 1920 furnish additional proof that Jerry Travers is slipping from golf's high spots. Not so long ago the former four times holder of the national title stood head and shoulders over all amateur rivals. It was easy in that period to compute the annual rankings and place the indomitable Jerry at the lead. Now things are different.

Oswald Kirkby won the 1919 Metropolitan championship and the handicappers had no alternative but to place the Englewood star at scratch for this year's stroke list. Travers, once the mighty, trails at second place, two strokes behind Kirkby. There's considerable backing and filling in the other positions. A. L.

Walker, the young intercollegiate champion, who was rated at six strokes two years ago, is now figured at three. His jump is the most notable on the list, which contains 311 names. The following gives those handicapped up to five strokes.

Phillies Beat Robins in 13 Innings.
After their record-breaking performance of twenty-six innings in Boston on Saturday, Wilbert Robinson's flock of Robins went through thirteen innings of baseball at Ebbets Field yesterday afternoon. Thus in two days the Matruh clan has played thirty-nine innings. Thirty-nine innings in two games. It's a record that any club would be proud to hold.

Johnson Saves Senators' Victory.

Muff by Janviri Allows Cubs to Win.
CHICAGO, May 2.—Janviri's muff of Horner's fly after two were out enabled Chicago to tie the score in the ninth

inning and they won in the tenth when Killian's double scored Paster, giving Chicago the final game of the series with St. Louis by a score of 5 to 4.

White Sox Take Two From Browns.
ST. LOUIS, May 2.—Chicago made it two in a row from St. Louis, taking the second game of the series, 7 to 3. Patsch started the visitors' scoring in the second when he led off with a home run over the left field wall. Burwell, who succeeded Leverette in the third inning, was taken out of the box after five of the six men who faced him had hit safely.

Thirteen Straight Against Tigers.
DETROIT, Mich., May 2.—Detroit lost its thirteenth consecutive game, Cleveland winning by a score of 5 to 2. The visitors bunched hits in the fifth inning, and, assisted by loose playing by Detroit, obtained three runs and a lead that the Tigers were unable to overcome.

Pirates Check Stride of Reds.
CINCINNATI, O., May 2.—Pittsburgh broke Cincinnati's winning streak of six straight games by shutting out the Reds by a score of 3 to 0.

Spinella Defeats Trucks 204 Pins

Phil Spinella of this city turned the trick that Glenn Riddell, the 1919-1920 Eastern individual champion, and Leo Lucke, an individual champ of those parts of other days, fell down on when he beat Charley Trucks, the Pennsylvania star, in a twenty-game home and home series, total pins to count, for a purse of \$2,600. The first half of the series was rolled at the Casino alleys, Philadelphia, Pa., home drives of the Pennsylvania star, April 26, in which Spinella displayed wonderful form, totaling 1,926 pins for the ten games, against 1,813 for Trucks. In the first half of the series Spinella gained an advantage of 86 pins, which he increased to 204 when they met in the second and deciding series at the City Hall alleys on Saturday night. In the last series Spinella totaled 2,048 for the ten games, against 1,929 for Trucks. The total number of pins for Spinella for the twenty games was 4,064, against 3,842 for Trucks. The scores rolled at the City Hall alleys follow: Spinella, 190, 208, 208, 224, 131, 237, 279, 158, 184, 314; total, 2,048. Trucks, 192, 155, 200, 195, 209, 172, 193, 201, 204, 206; total, 1,929.

Fond of Cheese?

Of course you are—but do you know why? It's because cheese is natural food—it contains the food elements your body needs—it has the taste you never tire of—it is hearty, easily digested, appetizing, tempting and best of all, the most economical food you can eat.

But cheese as a food—not merely as a relish. For instance, a wonderful breakfast dish is "Cheese Scramble."

Prepare eggs as you always do for scrambling, and add one "Philadelphia" Cream Cheese, worked until it is soft. Then scramble. Nothing more delicious ever came onto a breakfast table. Try it!

Be sure to get "Philadelphia" Cream Cheese.

Phenix Cheese Company makes all kinds of good cheeses. Many are packed in air-tight cans and keep indefinitely.

To Keep the Face
Fresh, Clear, Youthful

More important than the cosmetic care of the complexion is its physical care. To keep the face clean, fresh, youthful, there's nothing better than common mercuric wash. It absorbs the dried or faded worn-out skin particles. Cleanses simply and unobtrusively the complexion. That's the difference. By all means, acquire the mercuric wash habit. It's no secret to get an ounce of skin was as the drought's apply at night like cold cream and wash it off next morning. There's no direction, however, the old skin coming off so gradually no one suspects you are using anything. When in a week or two the skin's radiant, youthful, rose-like underlain in fully in view—well, you won't want, or need, a make-up complexion after that. It must be apparent that this process means complete eradication of all skin troubles, like freckles, pimples, blotches and blackheads—Advt.
